

Team Mission - 2025 NY City Marathon Program

Mission is a 501(c)(3) nonprofit organization that supports cancer survivors. Fundraising proceeds will be used to fund programs for cancer survivors. To learn more about the Mission go to: www.yourmission.org

The fundraising requirement level for participation in the program is \$5,000 plus payment of the NY City Marathon registration fee (\$315).

IMPORTANT: Runner is responsible for fulfilling the minimum fundraising commitment of \$5,000 regardless of any outside factor (injury, medical condition etc.) that may prevent actual running in the NY City Marathon. Entry is non-transferable. We have to pay a fee for each charity bib number and allocate these dollars to support the program campaign. If every runner cancelled due to injury and didn't raise money, we wouldn't be able to fund grants to our cancer survivors. Please understand these guidelines before committing to the program.

Fundraising minimums must be met by Oct 15, 2025. Any balance of fundraising due will be charged to credit card provided at time of deadline. If a runner has delayed donations coming in after this credit card is charged for the fundraising balance, we will refund the amount we charged if these donations come in after the deadline.

*The **Mission** brand name falls under the non-profit organization the "CT Challenge". The Tax ID for "Mission" and the "CT Challenge" is 20-2777748. Checks can be made out to either "Mission" or "CT Challenge".*
